Hi Jim,

Thank you for getting me your current inventory list. I have attached the quotes we discussed for your systems separately for each level of coverage. I have also attached a chart which breaks down what is included for each level.

Please let me know if you have any questions or need clarification on anything listed in the quote. I have also included a 15% discount. This is for budgetary purposes and if one of these coverage levels makes the most sense for you, I can put together a formal quote package for you.

Thanks,
Adam

Hi James,

It was great speaking with you earlier and I appreciate the update regarding your equipment. I have attached what we have for your inventory which is one GM5975D system. If you could please provide me with an updated inventory list showing the other GCMS and GC systems we discussed I would appreciate it. Please let me know if you have any questions.

Thanks,

Adam
